DRAFT Last Word v4.docx.docx

Hi all,

I'd like to do a 'vetting check' with you in regards to our draft follow up comments to the State Water Board from the fall Phase II workshops (a.k.a The Last Word comment letter). The attached letter will go to the Board staff 3/15. Could you take a look and get back to me with any red flags by COB Tuesday 3/12? I don't plan to spend any time discussing the comment letter at our shortened interagency call on the same date, so this will just be via email.

Thanks,

Glenda
